Footnotes:

^{1/} **Period Covered:** The period covered by any statement begins on the day after the closing date of the last statement filed, or January 1, if no previous statement has been filed.

^{2/} **Extended Deadline:** Because the January 31, 2010, filing deadline falls on Sunday, deadline is extended to February 1, 2010.

^{3/} **Requirement to File:** A major donor or independent expenditure committee that files a semi-annual statement by July 31 covering the period through June 30 and makes no other contributions or independent expenditures during the second half of the year is not required to file this statement.

- **State Election Activity:** Contributions to state candidates, political parties and state committees may trigger reporting as a state committee rather than a county committee. State committees have different filing obligations. Contact the FPPC for guidance.

Disclosure manuals and other information on campaign reporting can be found on the FPPC website (www.fppc.ca.gov). Be sure to check the website for up-to-date information.

Additional Notes:

- **Late Statements:** Except for deadlines that fall on a Saturday, Sunday, or an official state holiday, there is no provision in the law for extending a filing deadline. Late statements are subject to a \$10 per day late fine.
- All statements are public documents.
- **Supplemental Pre-Election Reports:** General purpose recipient committees may be required to file a Form 495 if contributions totaling \$10,000 or more are made in connection with an election held in 2009.
- **Supplemental Independent Expenditure Reports:** A committee that makes independent expenditures totaling \$1,000 or more to support or oppose a single candidate, a single measure, or the qualification of a single measure, must file Form 465.
